Payment in full required by Visa, Mastercard, Bankcard or DD BSB 304-123 ACC# 0406537 before order is processed. All payments made by Credit Card will incur a 1% surcharge. Unfortunately Breezway does not take Diners or American Express.

Thank you for placing your order with Breezway. Please note that it is your responsibility to review this Order Confirmation and check that we have correctly interpreted your order. This is based on the serviceability, ultimate and water ratings provided. To determine the mullion design requirements, unless otherwise stated this order will be manufactured for Housing (Building Class 1 or 10). Breezway recommend that Stronghold is used for applications 2 metres and above. To meet the Despatch Date of Monday 01 February 2016 production of your order commences within 1 hour. If there is a discrepancy, please contact us immediately.
